Long Term Disability Insurance can replace part of your income if a disability keeps you out of work for a long period of time.

**How does it work?**
This coverage can pay a monthly benefit if you have a covered illness or injury and you can’t work for a few months — or even longer.
You’re generally considered disabled if you’re unable to do important parts of your job — and your income suffers as a result.

**Why is this coverage so valuable?**
You can use the money however you choose. It can help you pay for your rent or mortgage, groceries, out-of-pocket medical expenses and more.

**What else is included?**

- **Worldwide emergency travel assistance**
  One phone call gets you and your family immediate help anywhere in the world, as long as you’re traveling 100 or more miles from home. However, a spouse traveling on business for his or her employer is not covered.

- **Survivor benefit**
  If you die while you’ve been disabled and receiving benefits for at least 180 days, your family could get a benefit equal to 3 months of your gross disability payment.

- **Waiver of premium**
  If you’re disabled and receiving benefit payments, Unum waives your cost until you return to work.

---

The monthly benefit may be reduced or offset by other sources of income.

---

- **Coverage amounts**
  Choose from $200 to $6,000 a month, in $100 increments. You can cover up to 65% of your monthly income.

- **Benefit duration (BD)**
  This is the maximum length of time you can receive benefits while you’re disabled. You can receive benefits for 5 years.

---

- **Elimination period (EP)**
  Your elimination period is 180 days. This is the number of days that must pass after a covered accident or illness before you can begin to receive benefits.

* A third party administrative processing fee of $0.44 semi-monthly, per participant is included in the above premium.

Billed amount may vary slightly. Your rate is based on your age and will increase as you move to the next age band. Your rate is based on the elimination period you choose.
Exclusions and limitations

Active employee
You are considered in active employment, if on the day you apply for coverage, you are an active member of the International Association of Machinists & Aerospace Workers working at your employer for the required minimum hours each week and you are performing the material and substantial duties of your regular occupation.

Delayed effective date of coverage
Insurance coverage will be delayed if you are not an active employee because of an injury, sickness, temporary layoff, or leave of absence on the date that insurance would otherwise become effective.

Benefit duration (BD)
The duration of your benefit payments is based on your age when your disability occurs. Your Long Term Disability benefits are payable while you continue to meet the definition of disability. Please refer to your plan document for the duration of benefits under this policy.

Definition of disability
You are considered disabled when Unum determines that you are under the regular care of a physician, and:
• You are limited from performing the duties required of your regular occupation due to sickness or injury and are not working, or
• You are working and you have a 20% or more loss in monthly earnings due to sickness or injury.

After benefits have been paid for 24 months, your plan’s definition of disability changes. At that time you are considered disabled when Unum determines that, due to the same sickness or injury, you cannot perform the duties of any occupation that you are qualified to do based on your education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability. “Substantial and material acts” means the important tasks, functions and operations that are generally required by employers from those engaged in your usual occupation and that cannot be reasonably omitted or modified.

Unless the policy specifies otherwise, as part of the disability claims evaluation process, Unum will evaluate your occupation based on how it is normally performed in the national economy, not how work is performed for a specific employer, at a specific location or in a specific region.

Pre-existing conditions
You have a pre-existing condition if:
• You received medical treatment, consultation, care or services including diagnostic measures for the condition, or took prescribed drugs or medicines for it in the 3 months just prior to your effective date of coverage, and
• The disability begins in the first 12 months after your effective date of coverage.

Deductible sources of income
Your disability benefit may be reduced by deductible sources of income and any earnings you have while you are disabled, including such items as group disability benefits or other amounts you receive or are entitled to receive:
• Workers’ compensation or similar occupational benefit laws, including a temporary disability benefit under a workers’ compensation law
• State compulsory benefit laws
• Automobile liability insurance policy
• No fault motor vehicle plan
• Third-party settlements
• Other group insurance plans
• A group plan sponsored by your employer
• Governmental retirement system
• Salary continuation or sick leave plans, if applicable
• Retirement payments
• Social Security or similar governmental programs

Exclusions and limitations
Benefits will not be paid for disabilities caused by, contributed to by, or resulting from:
• Intentionally self-inflicted injuries;
• Active participation in a riot;
• War, declared or undeclared or any act of war;
• Commission of a crime for which you have been convicted;
• Loss of professional license, occupational license or certification, or pre-existing conditions (See the disclosure section to learn more).

The loss of a professional or occupational license does not, in itself, constitute disability. Unum will not pay a benefit for any period of disability during which you are incarcerated. The lifetime cumulative maximum benefit for all disabilities due to mental illness and disabilities based primarily on self-reported symptoms is 24 months. Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities are not continuous and/or are not related. Payments can continue beyond 24 months only if you are confined to a hospital or institution as a result of the disability.

Termination of coverage
Your coverage under the policy ends on the earliest of the following:
• The date the policy or plan is cancelled
• The date you no longer are in an eligible group
• The date your eligible group is no longer covered
• The last day of the period for which you made any required contributions
• The last day you are in active employment except as provided under the covered layoff or leave of absence provision

Unum will provide coverage for a payable claim that occurs while you are covered under the policy or plan.

Social Security advocacy services are provided by GENEX Services, Inc. or Brown & Brown Services Group. Referral to one of our advocacy partners is determined by Unum.
