

# Unum COBRA Administration

## Easy COBRA compliance

### Dynamic online services and management

TASC COBRA includes easy-to-use online tools and services for complete plan management 24/7. Their website offers convenient access and control for everything related to your Plan.

- › Enter Qualifying Events and Participating Qualified Beneficiaries (PQB)
- › Authorize General Election Notices to be sent, if necessary.
- › Access continuing information (payments, election periods, and communications).
- › View, add and edit your COBRA Plan(s). Access comprehensive real-time reports.
- › Track service requests and check service activity in MyService Center.

## Looking for a simple way to offer COBRA?

COBRA, or Consolidated Omnibus Budget Reconciliation Act, regulations require you to extend group health benefits to employees and their families if they lose health benefits due to specific qualifying events.

Keeping up with COBRA requirements can be a headache. The regulations often change and include rigid deadlines. Fortunately, Unum offers a solution to help you simplify your COBRA administration and avoid possible serious penalties.

Unum, in partnership with TASC, now provides COBRA services for dental or vision.

### OUR SERVICES DELIVER

**Complete COBRA compliance.**

#### Clear communication:

TASC takes care of the necessary communications, notices, forms, record keeping and even premium collection. Both employers and COBRA participants can manage accounts online. Enrollment is easy, and our simple set-up kit will establish your plan in just a few days.

#### Integrated Unum Billing:

When you add Unum dental or vision employees via Unum's iServices site, TASC will automatically send General Notices for new employees. When you terminate members for most qualifying reasons, TASC automatically sends General Election notices. For those terminations that require more information, access to TASC's online tools is available via single sign-on from Unum iServices.

**Considerable cost savings** over in-house COBRA administration.

**Let us take care of COBRA, so you can take care of your business.**

1 Starmount internal data, 2018. Access points are sites where network dentists see patients. Some dentists may be available at more than one access point.
